

Lodge Ailsa No. 1172 S.C.

Secretary's Report for the Year
to 31st December, 1974

As predicted in my 1973 report the year 1974 proved to be a favourable one to Lodge Ailsa. A total of 13 new members (Initiates and Affiliates) were recorded compared with 11 for 1973.

January saw a deviation to our normal agenda in that we worked the Third Degree and carried the Mark Degree forward to February when we also held our election Meeting.

Bro. Eric Robinson was unanimously elected as our R.W.M. and our March Installation Meeting saw him installed as such. This most solemn occasion was presided over by our District Grand Master Bro. T. A. Keegan.

March was also a month of sorrow when we were informed that Bro. W. J. Wearne had ceased labour on 24th March in Australia.

On 6th April Lodge Ailsa held a Lodge of Sorrow in respect of the memory of Bro. Walter John Wearne, P.M., Past Senior District Grand Warden, Hon. Grand Sword Bearer. The meeting was well attended, with Bro. A. E. Macmillan, P.M. presiding, and it was gratifying to see so many of Walter's friends from all the constitutions present.

Our April meeting saw the first three of our 1974 initiates take their first Regular Step in Freemasonry. Despite the natural nervousness of our new office bearers the meeting went extremely well.

During October and November your elected secretary was away on home leave and would like to take this opportunity of recording his gratitude to Bro. I. J. Robertson for so willingly and ably stepping into the breach.

October also saw one of Ailsa's stalwarts leave these shores, Bro. J. C. Darby who has kept our finances in a clear and healthy state for so many years, left Singapore to take up residence in Kuala Lumpur.

December saw the departure of one of our longest (no pun intended) resident members when our R.W.M. Bro. Eric Robinson retired to the U.K. Eric affiliated to Lodge Ailsa in January 1959, however, due to ill health he was unable to carry out his Lodge duties as strenuously as he would have liked during those early years. He leaves us with all best wishes for the future.

This will probably be my last yearly report as having completed two years as secretary it is now my turn to hand over to the incoming secretary. I have had a happy and profitable period in office and can only show disappointment in the attendance at practice meetings. When we accept and are obligated in office we pledge to carry out the duties of that office faithfully, zealously and conscientiously, this includes practice meetings and any other obligations related to the office. We should all search our conscience now and if we find that we cannot completely fulfill the duties of the office that is next offered to us we should defer acceptance until we can conscientiously accept it.

F. L. LIDSTONE
Secretary
